***Backing, Batting, wide enough to include a 4" off each edge. 48" X 48" backing and batting will be 56" X 56".**

This quilt uses templates.

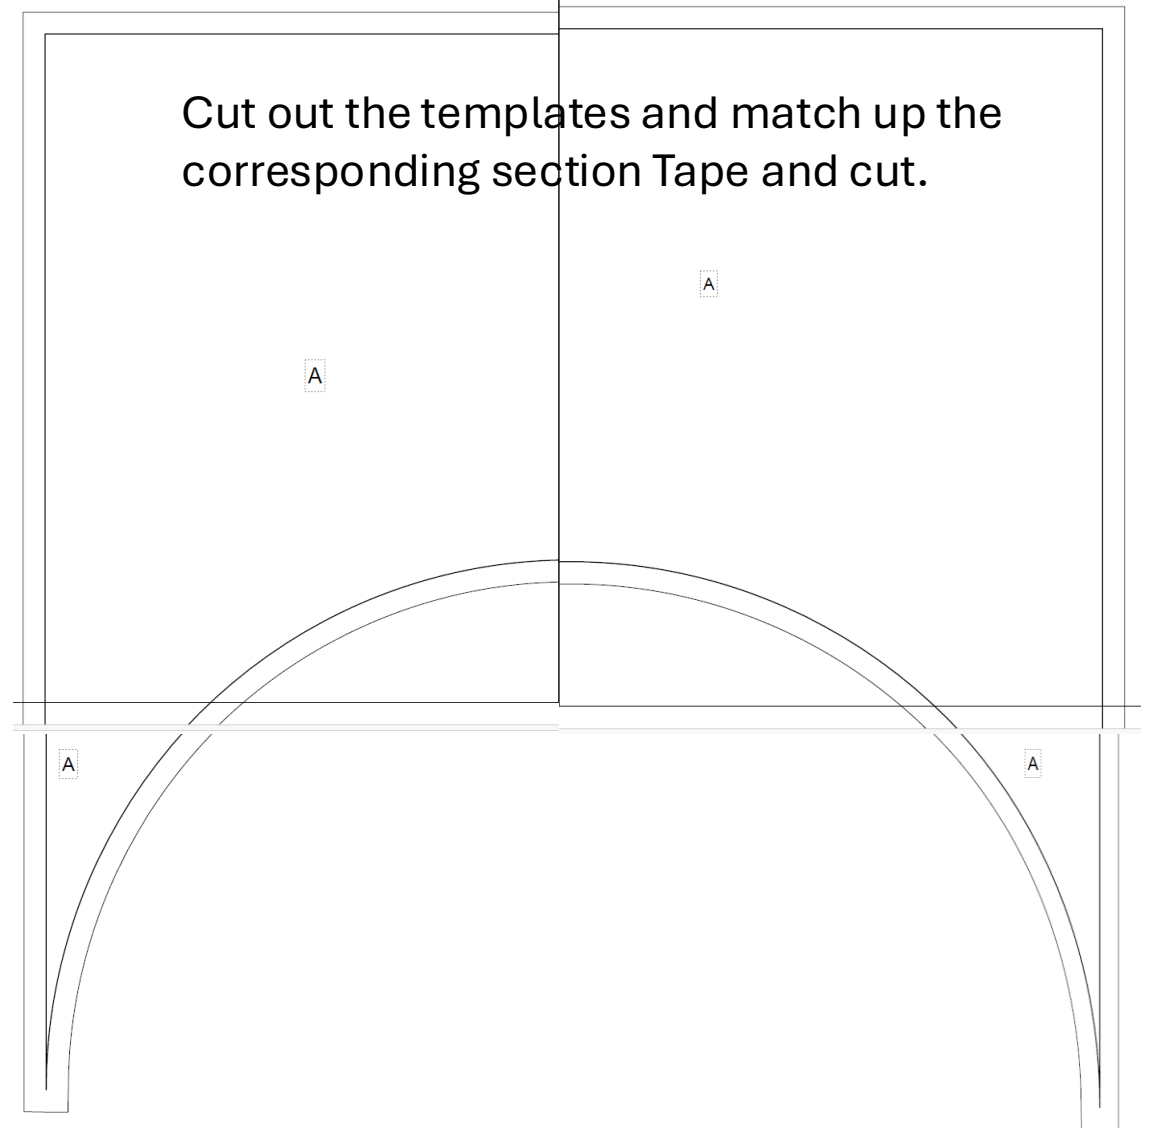

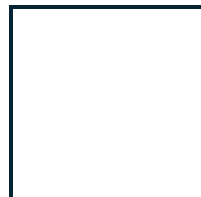

All Templates include a ¼" seam allowance.

To print the templates, you will need to print to ACTUAL SIZE for the 12" X 12" Block. Print them separate from the assembly instructions.

Cut out the templates and match up the corresponding section.

Use your own colors to make it what you like. Have fun and please use this pattern and put your own unique twist into it.

Printer Test 1x1"

This quilt sew together quick and easily:

***Piece together the Bear faces first using the templates**

Bear Face Templates

Note: Some of the following templates are the same if using patterned fabric be sure to face fabric correctly. Same templates will be indicated with a /.

Cutting Amounts for 4 Bears:

Caramel Corn:

Quantity of **4x:**

C/E, D, G, L, S

Quantity of **8x:**

R/O

Quantity of **16x:**

M/N

Snow White:

Quantity of **8x:**

J/I, M/N, Q/H, P

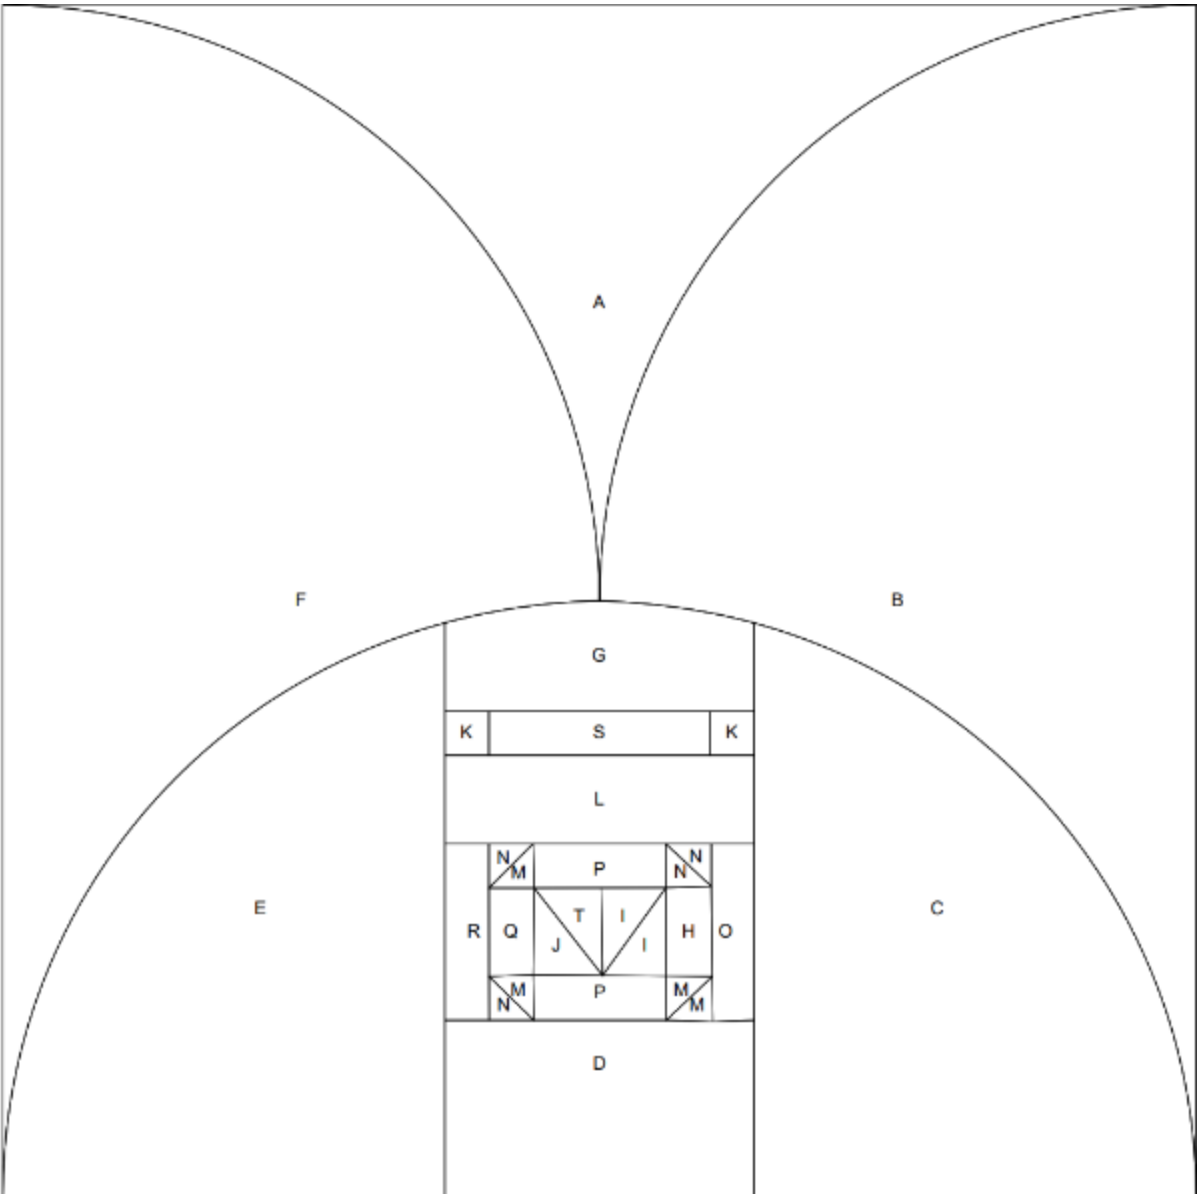

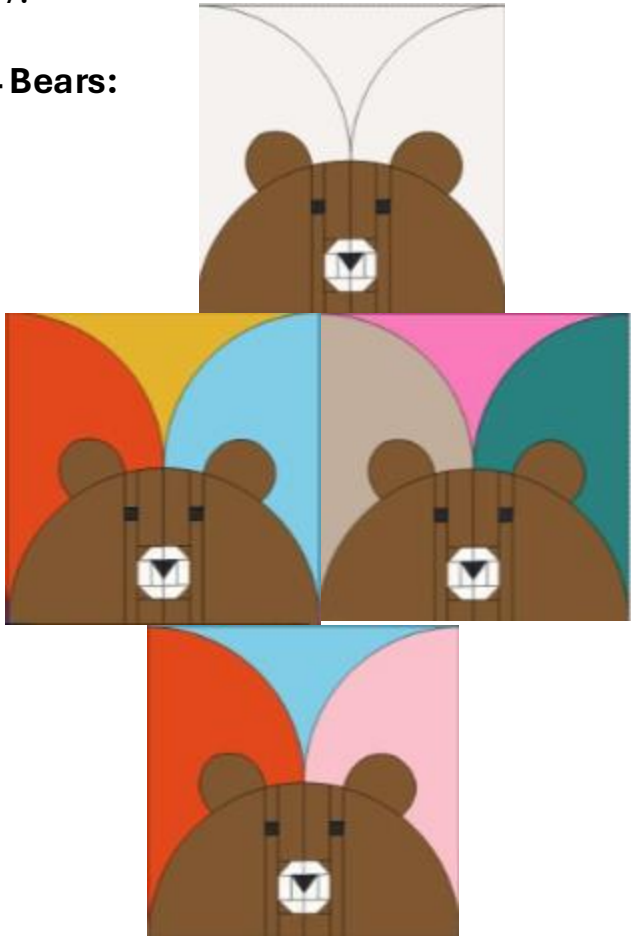

Quantity of **16x:**

M/N

Obsidian:

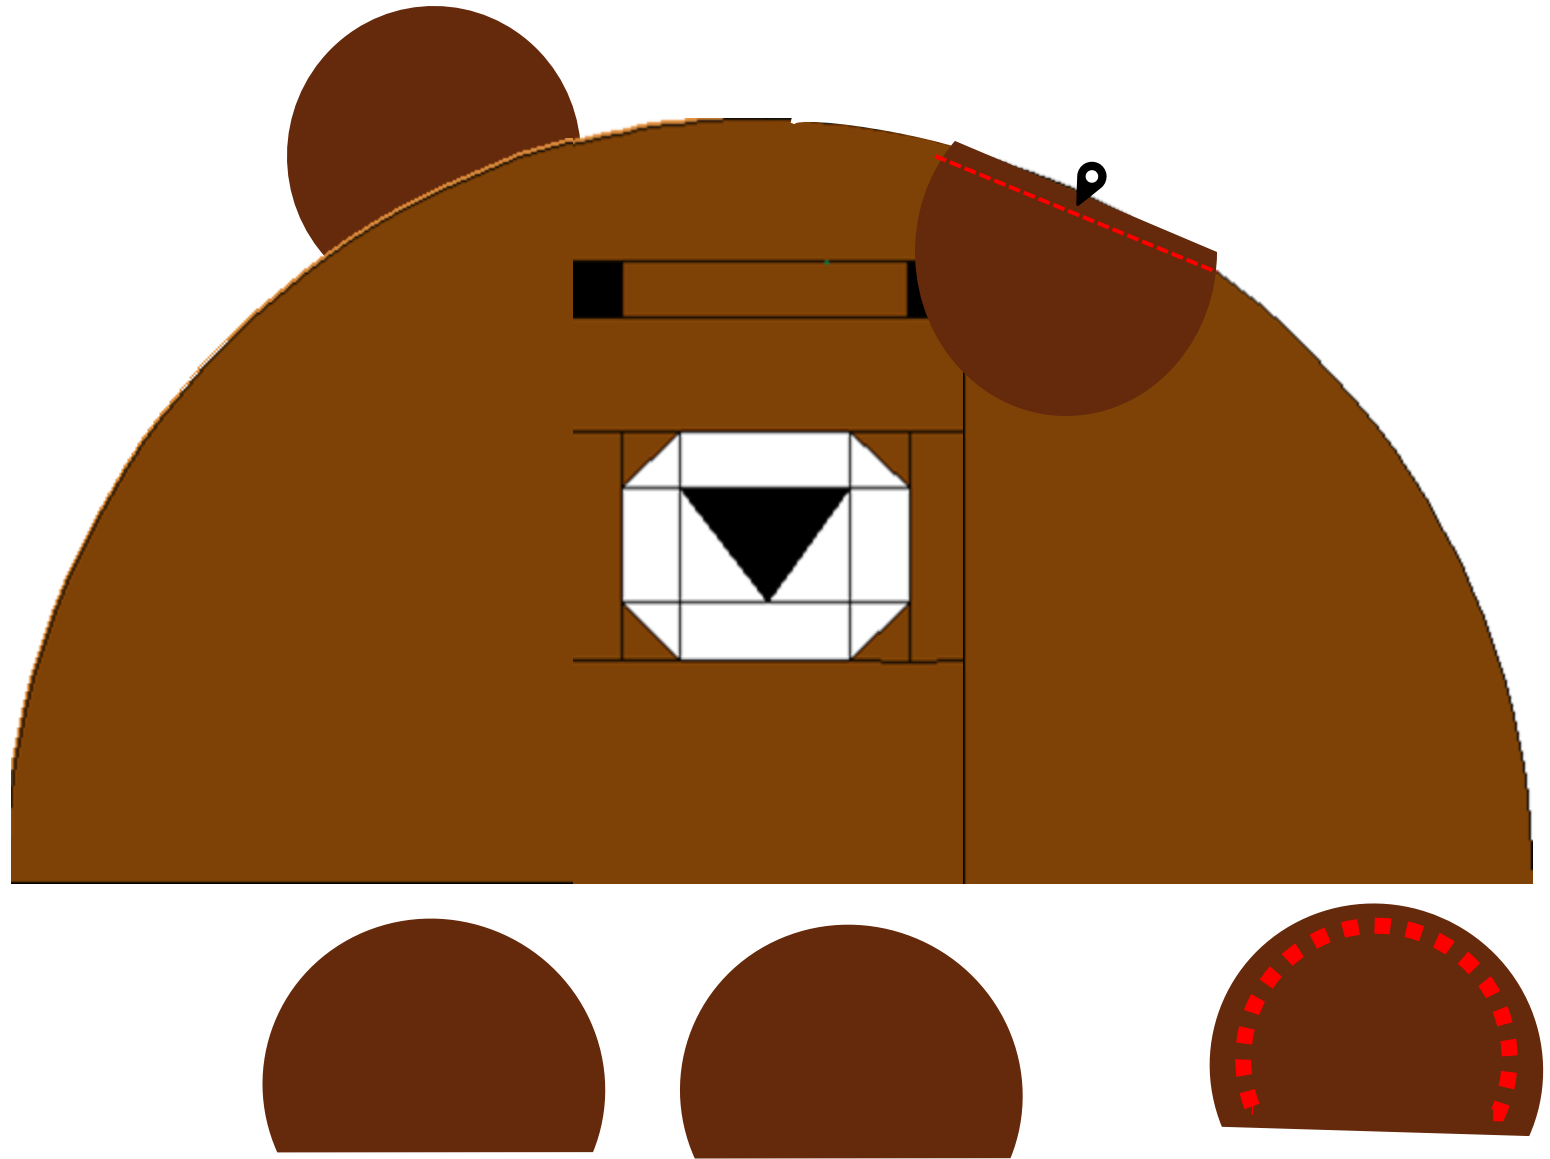

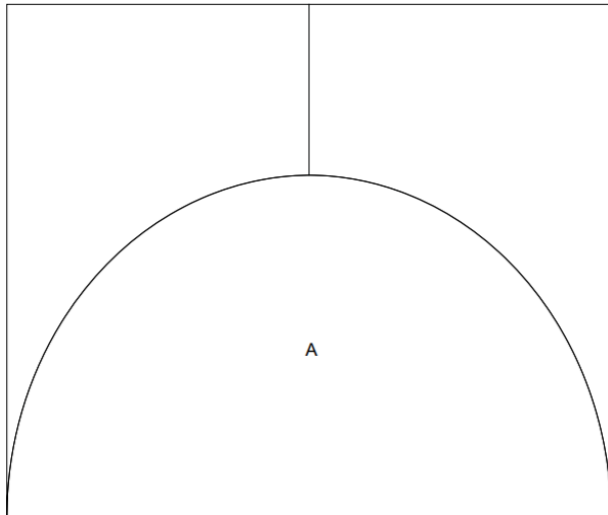

Quantity of **8x:**

T/I, K

Bear Ear Template: Cut **16x**

Sew two pieces of the ears together. Turn right side out position on the bear face then pin on face and tack down using a longer stitch approximately 1/8" from the edge. This will make it easier to piece when you get to that block and will hide this seam within the 1/4" seam allowance.

Balloon Cutting Instructions:

Pearl White:
Face: 2x F/B & 1x A
Sky: 3x A

Caramel Corn:
Block 1: 3x A

French Blue:
Block 1: 2x D/B

Desert Tan:
Block 1: 2x D/B & 1x C

Pumpkin Spice:
Block 1: 4x D/B

Princess Pink:
Face: 1x F/B
Block 1: 1x D/B

Peacock:
Sky: 1x B
Face: 1x F/B
Block 1: 1x C & 1x A

Royal Purple:
Block 1: 2x D/B

Gold:
Sky: 1x B
Block 1: 1x C
Face: 1x A

Sage Green:
Sky: 1x B
Block 1: 1x C & 1x A

Bubble Gum:
Block 1: 2x A & 2x C

Tahitian Blue:
Block 1: 2x D/B, 1x A, 1x C

Fox Tail:
Block 1: 2x A & 2x C

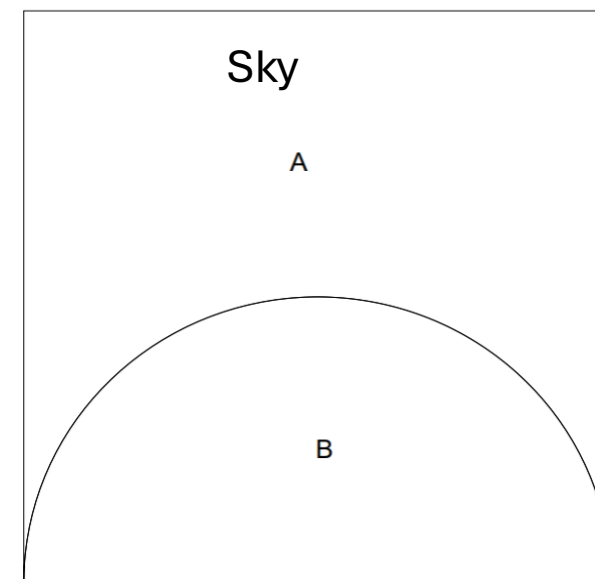

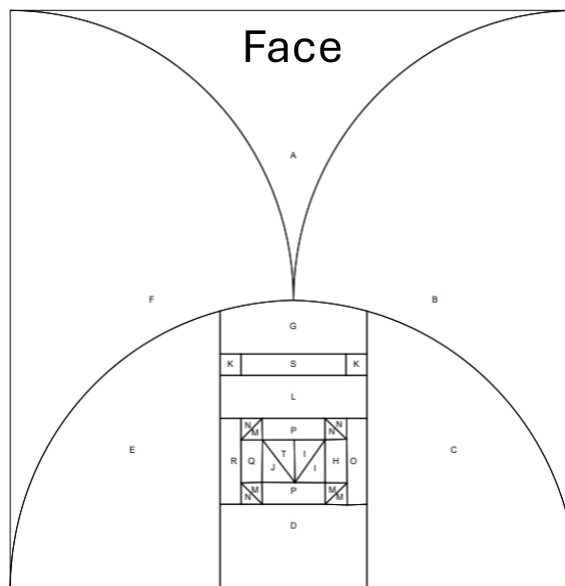

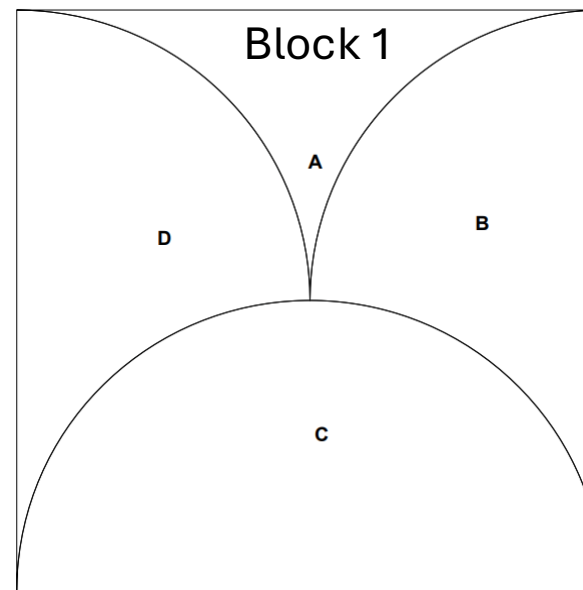

Straw Yellow:
Block 1: 2x D/B

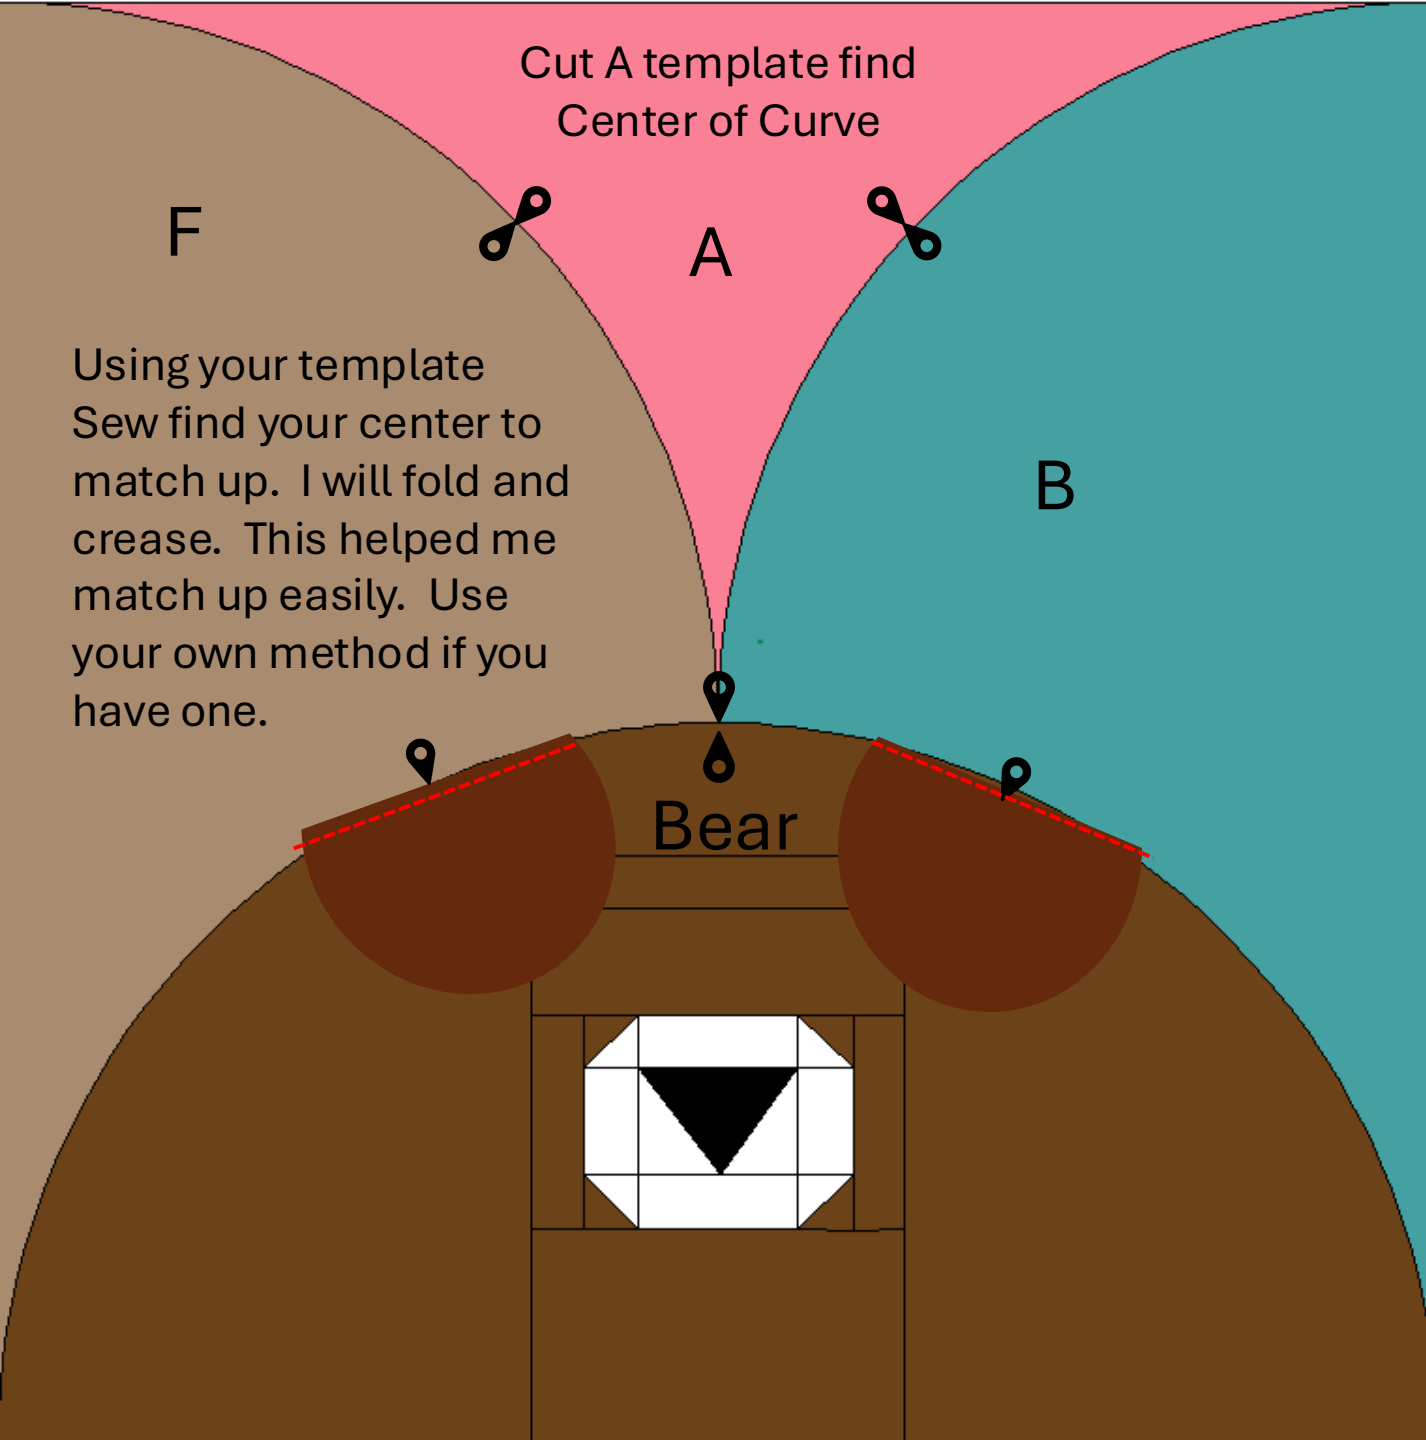

Blue Sapphire:
Block 1: 2x D/B

Water Lily:
Block 1: 2x D/B

Eggplant:
Block 1: 1x A & 1x C

Baja Blue:
Block 1: 2x D/B

This block uses the Bear Face Templates:

Now that all the fabric is cut. Find the center of **A** by folding the Left and Right sides to the middle. Do this one at a time to be accurate. Do this with **F & B** folding to match the ends of the outer curve. Mark with a crease or a pin. This will make matching centers much easier. **This technique is repeated multiple times throughout this pattern.**

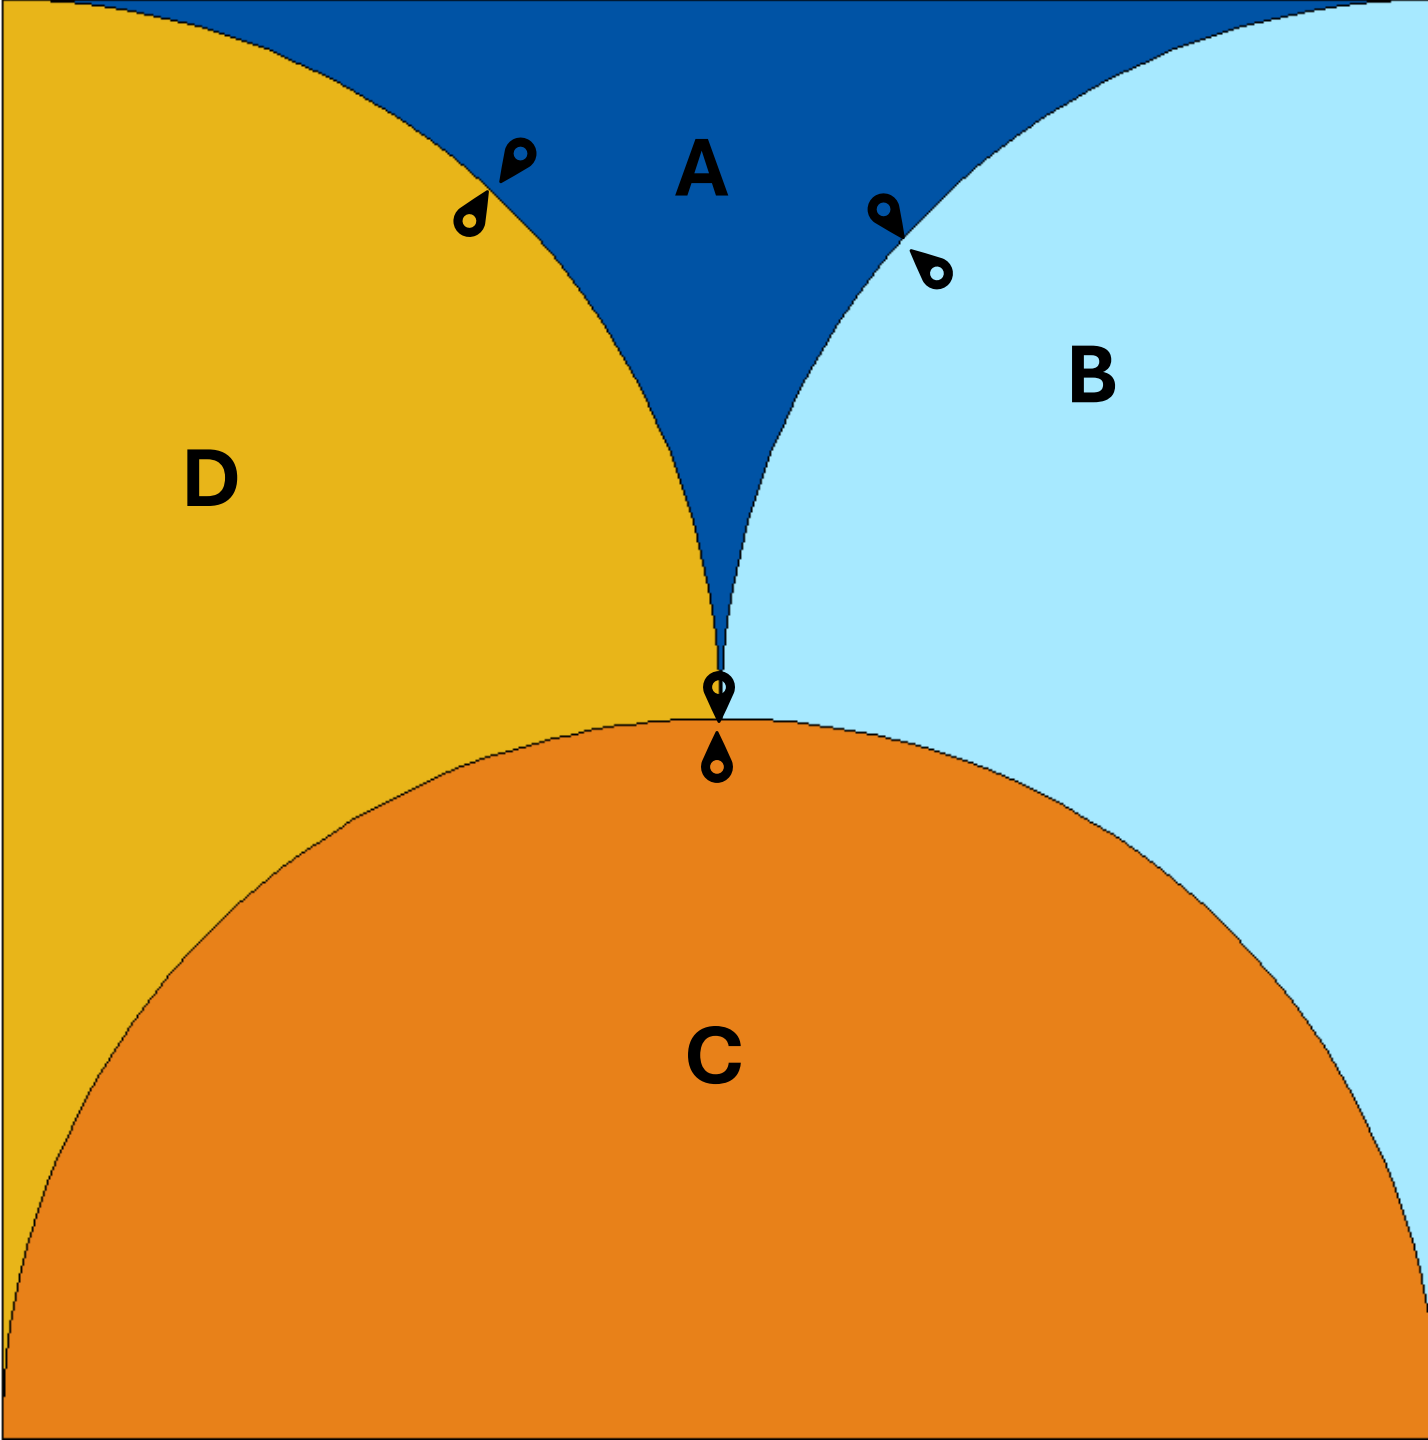

Assembly:

Start with **A** and sew the **F** to the left side.
Then sew the **B** to the right side.

Make sure that the curves are facing the correct direction, it is easy flip them around.

Once **F & B** have been attached to **A** this will leave you with a half circle that you will attach your completed bear face to. Find the center of both the "**FAB**" and **Bear** and sew them together.

Repeat this for all 4 Bear blocks.

This block uses "Block 1" Templates:

Assembly:

Find the center of all the piece mark using a pin or fold. Doing this will help you line up correctly to sew the pieces together.

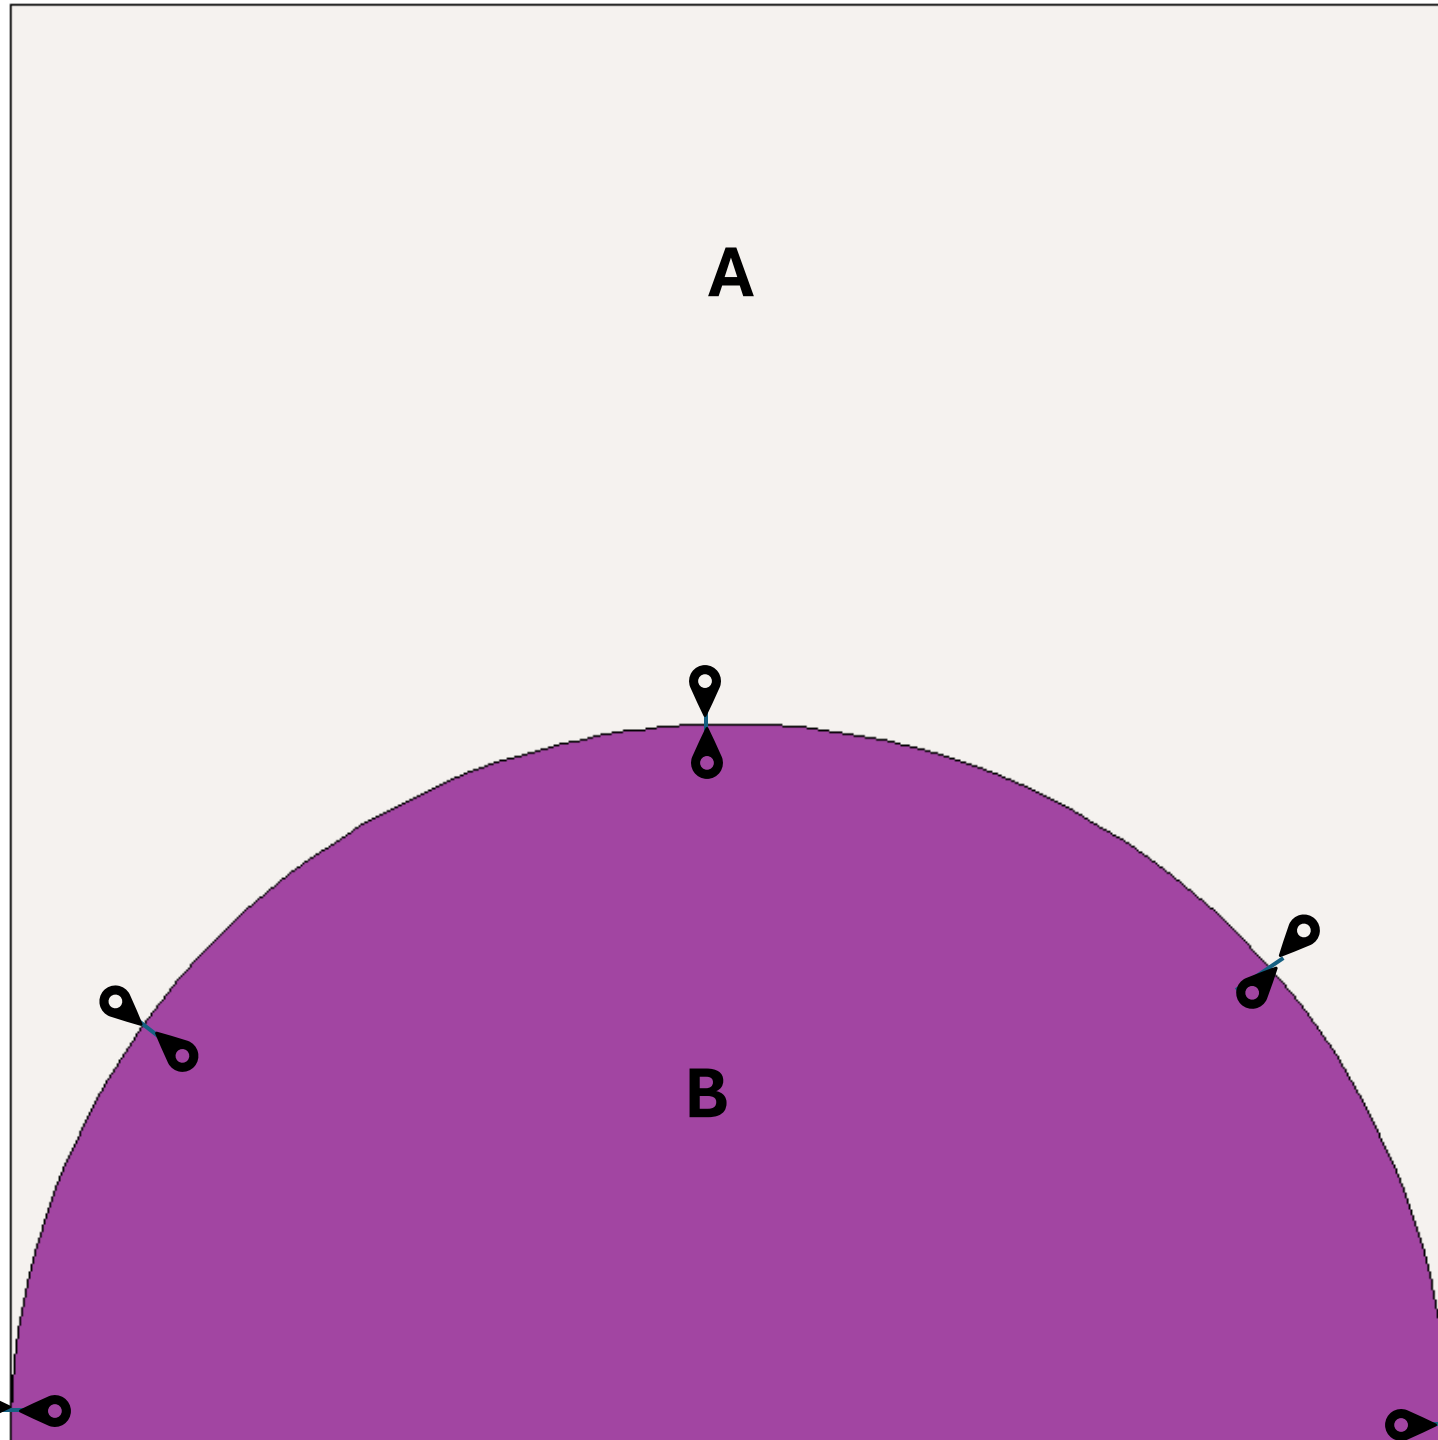

Make sure that the curves are facing in the correct direction.

Start with **A** and sew the **D** to the left side.

Then sew the **B** to the right side or **A**.

Once you have completed the **D** to **A** and the **B** to **A** you have you half circle opening for pinning and sewing your **C** onto all of them.

Repeat for 9 Blocks

This block uses the Sky Block Templates:

Assembly:

Find the center of all the piece mark using a pin or fold. Doing this will help you line up correctly to sew the pieces together.

Sew the **A to B** matching up your center marks.

Repeat for all 3 Blocks

Once you have all 16 blocks sewn together then piece them into rows first then the rows into 2 sections and then sew the 2 sections into one adorable **PEEK-A-BOO BEAR Baby Quilt!**

Row 1

Section 1

Row 2

Sew two Sections into One Quilt!

Row 3

Section 2

Row 4
